

Innovative Medicine Initiative (IMI) Information meeting

Denmark's Life Science Cluster

Thursday 10th October 2019 14:30-16:30

Hannover Lecture Hall, Blegdamsvej 3B, 2200 Copenhagen

- On the occasion of a visit by the European Federation of Pharmaceutical Industries and Associations (EFPIA), the University of Copenhagen is organising an open information meeting.
- Learn about [upcoming funding opportunities in IMI](#) and use the opportunity to learn more about the programme directly from EFPIA
- The meeting is open for scientific, technical and administrative staff at all universities and hospitals in Denmark, private companies and other stakeholders in health and medical research.

Please sign up for the event [here](#)
